Greetings,

At their July 2016 meeting, the directors of the National Architectural Accrediting Board (NAAB), reviewed the Visiting Team Report (VTR) for the California Baptist University.

On behalf of the Board, it gives me great pleasure to inform you that the **Master of Architecture** degree program was granted continuation of its candidacy. Initial accreditation must be achieved by 2020, or the program will be required to submit a new candidacy application.

Continuing candidacy is subject to the submission of Annual Statistical Reports This report captures statistical information on the institution and the candidate program. California Baptist University's statistical report is due on or before November 30, 2016.

Continuation is also subject to subsequent visits for continuing candidacy; the next visit for either continuation of candidacy or initial accreditation will be in 2018.

Finally, public dissemination of both the Architecture Program Report and the Visiting Team Report is a Condition of accreditation. These documents must be made public electronically in their entirety. Please see Condition II.4.4 of the *2014 Conditions for Accreditation and Section 5, of NAAB Procedures for Accreditation, 2015 Edition.*

On the behalf of the NAAB and the visiting team, thank you for your support of accreditation in architectural education.

Very truly yours,

Scott C. Veazey, AIA
President
